

INTERVIEW SUMMARY UNDER 37 CFR §1.133 AND MPEP §713.04

A telephonic interview in the above-referenced case was conducted on August 21, 2003 between the Examiner, Primary Examiner Ulka Chauhan, and the Applicants' undersigned representative. The Office Action mailed on May 21, 2003 was discussed. Specifically, the rejections of claim 1 were discussed in light of the 3DCreate reference. The Examiner provided further clarification as to the rejection, particularly with regard to the reference entitled "A Web Developer's Dream" which was cited, but not relied upon by the Examiner in the Office Action with regard to the 35 U.S.C. §102(b) rejection. The Examiner also discussed the 3DCreate reference in that the application only rotated an image left and right. The Applicants wish to thank the Examiner for his time and attention in this case.
